

# Himalayan INTERNATIONAL SCHOOL

To be Affiliated to CBSE Board (10+2)

## Newsletter

### President Speaks

It is my thought to serve the society. This is a development work towards social and economical upliftments. These two developments could not be attained by the society without quality education. I am always afraid whether I'd succeed or not but never mind as I have to serve the society in a better way every year. I think society will be benefitted by our dream project and coming generations will progress. I wish that children of Himalayan after completing their higher secondary examination will compete at national level. I also thank my colleagues Mr. Gunjan Garg & Pran Nath Papneja for their valuable efforts.

K. N. Tiwari

### Message from Manager

P. N. Papneja

Children regardless of their age, class or background, every child has his own individuality, skills and talents. A good educational system helps a child to nurture his talents, only by appropriate, encompassing education that leads to the overall development in the personality of a child. Through these we will be able to raise ideal future citizens of our country. The parents can assuredly repose faith in the sincerity of purpose and dedication of the faculty. There is no elevator of success you have to take the stairs and I am sure enough that our teachers will help you climb the stairs by their experiences and guidance. I am confident enough that the students will find their educational experience at Himalayan International school a faithful and rewarding one.

### From the Principal's Desk

*'Education is not preparation for life; Education is life it self'*

Dear Readers

It gives me immense pleasure that Himalayan International School, Chilkana Sultanpur is publishing its first newsletter to apprise you about the activities which were conducted in the year 2016-17 for the allround development of the children. There is an old chinese adage, when planting for a year, plant a corn, when planting for a decade, plant tress, when planting for life educate people' from this adage we understand the significance of educating our students at Himalayan.

This school has been started with the aim to impart quality education to the children living in chilkana sultanpur and villages around chilkana. Here I also want to indicate the motto given by our government 'Beti Padhao, Beti Bachao' under this motto, we want to educate every girl of chilkana & surrounding areas.

I also feel great proud while saying this that I have found that the parents of my school children are very much aware about the education of their ward and have given full participation in meetings conducted by the school and at any cost they want their child to be educated. Time to time they meet me and discuss the performance of their ward. I am sure that the future of their ward will be bright over here. The moment will be unforgettable in my life when Himalayan children after completing their secondary education will get admissions in technical universities.

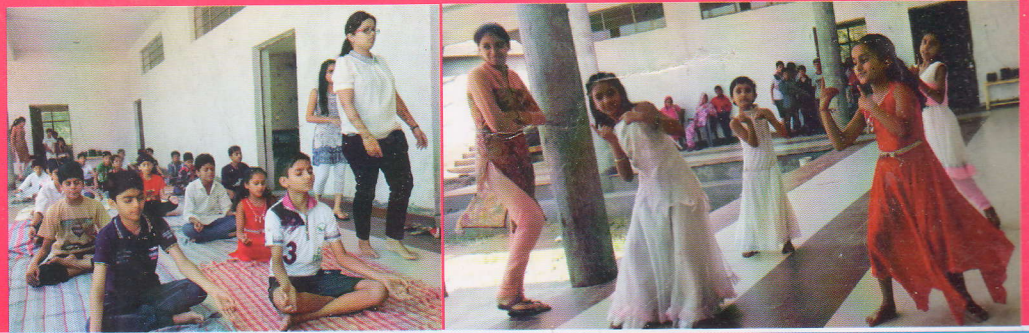

Sarita Garg  
(M.A. Eng., M.Ed.)

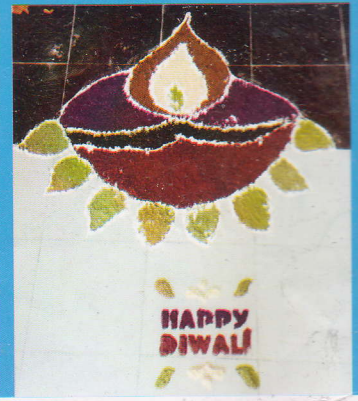

# Summer Camp

After the stress of studies, it was the time of change to relax for some time and to get busy with extra co-curricular activities. In summer vacations children participated in a summer camp organised by the school they learnt yoga, dance, badminton, art, skating, Football, craft and drawing etc. They were awarded certificates for their excellent performances.

## Rangoli Competition

Colours are mesmerising and attractive one to divert the attention of everyone. Children were divided into five groups and showed their artistic skill and bonding with colours by making beautiful rangolis. They not only showed their creativity but also showed excellent teamwork.

## Independence Day Celebration

Independence day was celebrated in the school with patriotic feeling. After flag hoisting ceremony children delivered speeches, skits and songs which showed their feeling of patriotism for the nation. Children received loud applause from the audience. Sweets were distributed at the end of programme to all the children.

# Exhibition

Tiny-Tots of Himalayan are the frontiers of the school either on stage or in class room activities. They participated whole heartedly in various art and craft activities by making charts models, scientific experiments and other decorative items.

## Basant Panchami Celebration

Spring time brought cup full of music, colors, fragrance and hue for all as colourful kites fluttered in the sky to announce the festival of spring, basant. Children enjoyed the day by flying colourful kites with their friends.

## Republic Day Celebration

Himalayan celebrated the Republic Day. The day for every Indian to feel proud as our constitution was enforced on this day in the year 1950. The programme started with the unfurling the tri colour by Hon'ble founder members Mr. K. N. Tiwari, P.N. Papneja, Gunjan Garg and respected Principal Mrs. Sarita Garg. In her speech Principal spoke of the sacrifices of Martyrs and the need to uphold sovereignty and freedom.

# Annual Day

Himalayan celebrated its exhilarating annual day on 24th Dec. 2016 with great enthusiasm. A grand culture programme was organised in the school to mark the occasion. The programme started with the lighting of lamp by Hon'ble Ex-Minister of state Shri Sanjaya Garg, Father of church Sir Daniel Mesih, Principal of D.A.V.P.S. Ms. Meenu Bhattacharjee, founder members and Principal. The programme started with Ganesh Vandana. Students from all classes presented a grand cultural show an amalgamation of colours, beauty and rhythm. The english skit, 'Beti Padhao, Beti Bachao' was appreciated by one and all. The exhilarating performances mesmerized the audience and left them spell bound. Programme ended with the vote of thanks by Hon'ble Principal Mrs. Sarita Garg.

## Medical Camp

Health is Wealth. It is rightly said 'Healthy mind rests in sound body'. Considering the importance of good health of lovely children a medical camp was organised in the school campus by renowned Drs from Saharanpur Dr. Arun Aneja M.D., Dr. Pradeep Aneja M.S., Ds. Deepti Upadhyaya (Dental Surgeon). Children were benefitted by the advise of the doctors. As it is rightly said "The Mind and body are not separate. What affects one, affects the other."
